

## World Earth Day celebration April 22nd 2019 Protect the species !!

On the 22nd April 2019, students of Mayoor Pvt. School celebrated “World Earth Day” under the theme - ‘Protect the Species’. Kindergarten students were engaged with different activities to enhance the awareness about the Endangered Animals like dugong, elephant, bees, tiger & butterfly. KG 1 depicted the importance of this day through thumb printing on cutouts of trees, flowers & leaves to complete the collage made by the KG2 students.. KG 2 students worked on their collage by using the skills of paper tearing ,pasting , painting the big globe and doing different craft work on the cutouts of Endangered Species. All the Kindergarten students coloured their own headgears made out of old magazines which was a takeaway with the message” Protect the Species”..

## World Environment Day celebration June 5th 2019 Beat Air Pollution - Mask challenge !!

To mark the importance of “World Environment Day” the students of Kindergarten created an awareness in the school by going on a parade across the school with creative masks made by them out of recyclable material and slogans on how to “Save the Environment and Beat Air Pollution”. The students wore their masks in the MPH during the assembly, where they took a pledge to save and cherish the environment. In addition, the students of KG1 donated plants to Mayoor school to bring out the importance of growing plants. It was a treat to the eyes to see these young students take an active part in creating environmental awareness amongst their peers.
